Message from the Chairman:

Welcome

It's my very great pleasure to welcome you all to our 2010 Ulster Bank Schools' Cup Final.

I particularly welcome the two teams – Foyle and Londonderry College and Sullivan Upper School. You have fought your way through to the Final. This is your day. Enjoy the occasion, play to the best of your ability, and give us all a final to remember!

I know that for Sullivan this is a very special day – your first Schools' Cup Final. For Foyle – the holders – it is your third Final since 2003. However the match goes over the next few hours, I hope you will each be able to go home this evening feeling that you did yourself and your school justice.

Our special thanks are due to the Ulster Bank for their continued sponsorship – without their generous support over many years this competition would certainly not have achieved its current prestige. Thanks are also due to Bready Cricket Club for agreeing so willingly to host the Final on their excellent new ground.

Let play commence, and may the Spirit of Cricket be the winner!
