SCHOOLS CRICKET

The start of the season was delayed by a Covid-related Government prohibition on all inter-school sport that continued for several weeks after the same people had been allowed to participate in inter-club cricket. In the very short period of term time left to us we were able to organise three knock-out cups at Senior, Intermediate (U-14 and U15) and Junior (U12 and U13) levels which attracted a total of 43 entries. Remarkably fine weather in late May and June allowed 69 fixtures to be completed with only one rain rearrangement. RBAI and Campbell College emerged as the strongest schools, with the former eventually taking home all three trophies.

Despite our best efforts, no representative matches could be arranged. The MCC tour in June was cancelled while the absence of any inter-school cricket in Leinster prevented the Southern Schools from being able to field a team. The possibility of a tour to Glasgow in August was kept alive as long as possible but ultimately fell victim to the enduring levels of Covid infection on both sides of the North Channel and the associated restrictions affecting sport that had been retained in Scotland.

Junior Cup Final - 23rd June at Cranmore Park, RBAI

Campbell College 109-9 (20 overs, Seb Yeates 32, James Nelson 5-18)

RBAI 110-5 (James West 49 no, Seb Yeates 2-14)

RBAI beat Campbell College by 5 wickets

Intermediate Cup Final – 28th June at Osbourne Park, RBAI

RBAI 'A' 180-9 (35 overs, H Kokate 37, G Palmer 37, B Oberholzer 27, A Carson 27, A Watt 5-36)

RBAI 'B' 128 (M Hollway 20, G Craigan 20, H Kokate 3-12, M Carter 2-12, G Palmer 2-18)

RBAI 'A' beat RBAI 'B' by 52 runs

Schools Cup Final - 25th June at Osbourne Park, RBAI

RBAI 260-7 (40 overs, J Dickson 88, A Ly 60, T Johnston 41, M Glasgow 2-41, J Eagleson 2-56)

RBAI 2nd XI 49 (J Eagleson 20, A Wylie 5-15)

RBAI beat RBAI 2nd XI by 211 runs

RBAI Development Series

This series came about to help provide the NCU youth teams to have some meaningful match practice and to also ensure that RBAI were able to get more competitive games for their pupils. Thank you to Darren O'Neil for facilitating and coming up with the idea.
